

BECOME A VIP MEMBER OF THE PUB

We are excited to launch our new **VIP Member's Card program**.

When your card is registered, you will be eligible to receive Pub rewards that include special offers on your birthday and anniversary. And the benefits start immediately. **For every dollar you spend at the Douglasville Irish Bred Pub & Restaurant, you earn one point.** When you **reach 100 points**, your card will be **credited with a \$5 amount**. You can use this \$5 towards your check or you can accumulate these dollar credits for a future special occasion.

And it is very easy to receive a VIP Card. Just ask your server or bartender for an application card and complete the details (includes your name, birthday, anniversary, and e-mail address). Once we have entered the details into our system, your card will be activated and can be used from your next visit.

Whenever you want to know how many points you have accumulated, just ask your server or bartender to swipe your card. When you reach 100 points and your card has been credited \$5, your point balance starts again at zero.

The other bonus to becoming a VIP Member is that once you have signed up for a VIP card, we will add you to our e-mailing list. Don't worry, we won't inundate you with junk e-mails. Like you, we hate those. Our occasional e-mail will include the Pub's monthly newsletter and information on upcoming special events such as St. Patrick's Day, Summer Concerts on the Plaza, and special offers for days like Mother's Day and so on.

We hope that you find these VIP cards enjoyable to use. And thanks so much for all your continued support.

Note: These VIP Cards can be used together with our Lunch Card program and Greystone discounts. However, these cards are only valid at the Douglasville Irish Bred Pub & Restaurant.
